

ABINGDON WINE LIST

- | | Glass | Bottle |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|-------------|
| • Abingdon Savoir Faire 2015 MCC | By the bottle only | R265 |
| Our 2015 bubbles (available in white and Rosé) are made in the traditional style, matured on the lees and disgorged and corked by hand at Abingdon. Made in a <i>Brut Nature</i> style (no sugar added) offering a refreshing dry palate. | | |
| • Abingdon Viognier Pét-Nat 2018 | By the bottle only | R190 |
| Pétillant-Naturel's are made by bottling the wine before the fermentation is complete, a risky technique that dates back to pre-Champagne, resulting in a slightly cloudy, unfiltered and unpredictable wine. Like hipsters & their tell-tale beards, you can usually spot a Pet-Nat by its crown cap in lieu of a cork. | | |
| • Abingdon Sauvignon Blanc 2018 | R50 | R175 |
| A refreshingly crisp Sauvignon without any harsh edges. A smooth palate of lemon zest, melon, pear and passionfruit. Dangerously easy to drink | | |
| • Abingdon Unwooded Viognier 2017 | R50 | R175 |
| A typical cool climate Viognier with a perfumed floral nose of violets, subtle apricot, white peach and pear drop on the palate. | | |
| • Abingdon Chardonnay 2018 | R50 | R175 |
| A well balanced and refreshing Chardonnay that is lightly oaked and shows crisp citrus fruit, white peach, flinty minerality and buttered toast on the finish. | | |
| • Abingdon Viognier 2017 | R50 | R175 |
| A typical cool climate Viognier with a perfumed floral nose of violets, rich apricot, lychee and white peach on the palate with a subtle ginger butterscotch spice on the finish. | | |
| • Abingdon Signature Viognier NV | By the Bottle only | R280 |
| Our reserve Viognier is our premier blend and in our opinion, the best Viognier we can make. Hand selected from only the best barrels in our cellar over two years. This is a combination of both the 2016 & 2017 vintages | | |
| • Abingdon Blanc de Noir 2018 | R50 | R175 |
| A delicate Blanc de Noir of 51% Syrah and 49% Cabernet Sauvignon. Copper in colour with soft red and black fruits, rhubarb and red apple. | | |
| • Abingdon Syrah 2017 | R80 | R320 |
| Our Syrah is an Old world expression of the grape made in a French Rhone style. The wine is elegant with soft tannins and full of peppery spice. | | |
| • Abingdon Cabernet Sauvignon 2017 | R80 | R320 |
| Our Cabernet is full of ripe cherry, blackcurrant and earthy richness rounded off with velvety tannins and refreshing natural acidity. | | |
| • Abingdon Signature Nebbiolo – SOLD OUT | By the bottle only | R400 |
| A northern Italian grape variety known for its distinctive pale colour, floral nose and sour cherry on the palate. Matched with firm tannins and savoury leather, tar and truffle on the finish.
Limited production of 400 bottles. | | |
